SUPPLEMENTAL DECLARATION UNDER 37 CFR 1.67(a)(1)

Sir:

Applicants request entry of the enclosed declaration to correct inaccuracies in the prior-filed declaration. The enclosed declaration correctly indicates that the present application was filed on February 27, 2004 as PCT International Application Serial No. PCT/EP2004/050224. This filing date and international application serial number correspond to the information given on the transmittal letter (PTO-1390) and application data sheet filed on August 25, 2006. The declaration filed on August 25, 2006 indicated the wrong filing date and international application serial number.

Applicants believe that no fee is due with the filing of this paper. If in fact a fee is due, please charge the fee due to Deposit Account No. 05-0150.

Respectfully submitted,

Date: February 20, 2008
